Waikiki Community Preschool (Public Charter School)

Waikiki, Oahu | Full-Time

\$51,835 – \$72,941 Annually + \$10,000 SPED Differential

Monday – Friday | 7 hours/day | 35 hours/week

### **Be Part of Hawaii's First Preschool to Become a Public Charter School!**

Waikiki Community Preschool is seeking a qualified and passionate Special Education teacher to join our team for the launch of our Pre-K only public charter school. Opening August 2025, this is a rare opportunity to be part of a mission-driven, inclusive learning community dedicated to equity, excellence, and innovation in early childhood education.

### **Why You'll Love Working Here**

- Public school calendar with all intersession breaks (Fall, Winter, Spring, and Summer)
- 7-hour workdays, 7:30 am to 2:30 pm
- Additional \$10,000 annual differential for certified SPED teachers
- Convenient East Honolulu location, steps from the beach
- Free on-site parking
- Air-conditioned classrooms and two outdoor play spaces
- Collaborative and inclusive school culture grounded in whole-child development and community engagement

### **Position Overview**

We are looking for a licensed Special Education teacher with a strong foundation in child development and a deep commitment to meeting the needs of all learners. This role supports students with IEPs in a warm, inclusive, and developmentally appropriate environment, while working closely with families and a team of dedicated educators.

### **Key Responsibilities**

- Provide individualized and small group instruction aligned with students' IEP goals
- Manage all aspects of IEP development, implementation, and compliance
- Collaborate with general education teachers, related service providers, and families
- Support cognitive, social-emotional, and communication development through both structured and play-based learning
- Foster strong, trusting relationships with children and families
- Maintain documentation and data in accordance with HDOE and IDEA regulations

### **Qualifications**

- Valid Special Education teaching license from the Hawaii Teacher Standards Board (HTSB)
- Experience in early childhood special education settings preferred
- Strong understanding of inclusive practices and child development
- Familiarity with HDOE procedures, IEP systems, and service coordination

### **Join Us**

If you are committed to equity, inspired by innovation, and ready to be part of a transformative model for early learning—this is the place for you.
